(402) 806-0446

5156 West Pine Road Odell, NE 68415

brwarren@ksu.edu

## Education

---

**Kansas State University, Manhattan, KS**

**December 2024**

M.S. in Agricultural Economics

B.S. in Agriculture

GPA 3.97

Major: Agricultural Economics Specialty: Finance

## Job Experience

---

**VFF, Scott City, KS**

**February 2023-Present**

*Agricultural Economics Intern-Farm Risk Management*

- Provided research support to the data analytics and farm management team
- Analyzed and evaluated data using statistical modeling on rental rates across the company as well as across Western Kansas
- Communicated research to farmers, the VFF team, and landowners to demonstrate capabilities and assist in decision making

**Cargill, Amarillo, Texas**

**May 2022-Aug. 2022**

*Management Associate Intern- Risk Management and Sourcing*

- Traded a merchandising deck consisting of Dried Distiller Grains for three plant locations where I demonstrated decisiveness, critical thinking, and other skills to negotiate with suppliers and source necessary ingredients for plant locations
- Handled inbound logistics for one plant location where I communicated daily with plant team, executed on timely decision making, and produced creative solutions to solve urgent issues

## Leadership

---

**Blue Key Senior Honorary**

**February 2022-May 2023**

*Vice-President*

- Managed operating budget of \$57,500 for the Blue Key program necessary for the organization to function throughout the year
- Led and assisted in programs that create, develop, and improve opportunities for students and organizations on campus that help create a better campus environment

**Kansas State Student Government Association**

**April 2020-March 2023**

*President's Cabinet- Director of Recruitment, College of Agriculture Senator*

- Selected to serve on the Student Body President's Cabinet as the Director of Recruitment to organize and execute on new initiatives to improve recruitment and retention at Kansas State University
- Served on the travel allocations committee that allocates funding to more than 500 on-campus organizations for educational travel purposes and eliminate unnecessary spend
- Nominated by the student body to be a liaison between the Student Government Association and 3,000 College of Agriculture students

**Alpha Gamma Rho Fraternity**

**August 2019-May 2023**

*Positions: President, Vice President/Finance Chair, Recruitment Chair*

- Nominated to lead chapter of 83 members to create goals to develop skills to help members become successful in their college journey
- Recruited 21 individuals from six different states during the pandemic, while building a relationship with them and their parents completely virtual
